The following revisions were made to the RFP:

- 1) Section 1.3.1. of the RFP, "Minimum Qualifications", has been modified to include the following language regarding conflicts of interest:
 - 1.3.1.3. If an organization or person is presently performing consulting services for OPWDD, or has provided consulting services for OPWDD, it may still submit a proposal in response to this RFP. However, an organization's proposal will be subject to disqualification if OPWDD determines that the organization (including its parent or subsidiary) has a conflict of interest, or the appearance of a conflict of interest. Situations that constitute a conflict of interest include:
 - 1.3.1.3.1. Organization currently provides, or has provided, Medicaid Health Home or care coordination services in New York State, including CCO-HH services.
 - 1.3.1.3.2. Organization is providing or has provided consulting, legal, or lobbying services to a New York Medicaid Health Home or CCO-HH, or other entity providing care coordination services in New York.
 - 1.3.1.3.3. Have employees, staff, affiliates, or contractors who work on this project, or have any oversight, input, or any other involvement in this project, who:
Are currently employed by, or are providing consulting, legal, or lobbying services to a Medicaid Health Home, entity providing care coordination services in New York, or a CCO-HH, or have been previously employed by these entities, provided any such services to those entities in the past.

1.3.1.4. After the RFP is awarded, if the winning applicant utilizes individuals or entities which violate these conflict of interest provisions, the winning applicant is subject to termination and reimbursement of contract funding to OPWDD.

- 3) Section 2.1 has been reformatted to place the first paragraph in line with the bulleted numbers “2.1.1.”
- 4) Section 2.5.3.1. originally contained a reference to Section 2.2.3.6. of the RFP. This section has been corrected and now refers to section 2.2.4.2. of the RFP:
