Re: **2024-2028 Snow and Slush Removal and Ice Control Services in Chenango, Delaware, Otsego, and Tompkins Counties IFB BR 050724**

Questions and Answers:

Below is a compilation of the questions received for this bid. Questions that were repeated, or of a recurring nature, were consolidated. Thank you very much in your interest.

1. **Question: Weren't these sites all put out for seasonal pricing in Fall of 2023with a 5-year renewal option?**

   Answer: IFB BR 060623 for Snow Removal and Ice Control Services in Broome, Chenango, Delaware, Tioga, Tompkins, and Otsego Counties was released April 23, 2023 for seasonal pricing and any resulting contracts were anticipated to be five years in term. No contracts resulted from this IFB for clusters 7, 8, 9, 10, 14, 16, and 17, which is why those clusters are being bid out again in IFB BR 050724.

2. **Question: Can bids be emailed, or will they only be accepted via mail and hand delivery?**

   Answer: Bids will not be accepted via email. Per IFB BR 050724, page 6, **Section 13. Submission of Proposals**, part **A. Submission Requirements**:

   (3) Proposals should be **mailed** or **hand delivered** to the following address:
