Questions and Answers:

Below is a compilation of the questions received for this bid. Questions that were repeated, or of a recurring nature, were consolidated. Thank you very much for your interest.

1. **Question:** I have a question regarding the Mandatory Support Documents for the above-mentioned bid. It appears that you are looking for an original CCA-2 with the bidding documents. Would a current VendRep Certification fill this requirement, or does it have to be on the CCA-2 form included?

   Answer: OPWDD will accept a current (within 6 months of bid submission) online VendRep Certification for the Non-Construction questionnaire. The CCA-2 is the Construction questionnaire. Please find the link to the different forms Vendor Responsibility Forms | Office of the New York State Comptroller (ny.gov)

   Vendors/not-for-profit provider agencies can file the Vendor Responsibility Questionnaire (VRQ) online via the New York State VendRep System or may choose to complete and submit a paper questionnaire. To enroll in and use the New York State VendRep System, see the www.osc.state.ny.us/vendrep.
